- Students in the College of Information and Communications are required to demonstrate proficiency in one foreign language equivalent to the 122 course through course credit or the corresponding foreign language placement score.
- The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.

- Students must complete either a minor (18 hours) or a cognate (12 hours) from courses outside the SJMC. The minor is intended to develop a coherent basic preparation in a second area of study. Courses applied toward general education requirements cannot be counted toward the minor. No course may satisfy both major and minor requirements. A cognate requires a minimum of 12 hours of courses in other departments related to the student's major and/or career goals. Cognate courses may be taken in one or more departments depending on the interest and requirements of the student, but must have approval of the student's advisor. Journalism courses may not be used in the cognate. At least 6 of the 12 hours must be at the 300-level or higher. No 100-level courses may be used in the cognate.
- English literature course (3 hours) from ENGL 282-288.
- The Carolina Core, College and Program requirements must include at least 72 semester hours in academic subjects. Students with fewer than 72 hours in these areas must take enough electives to fulfill the 72-hour minimum. No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward the 72-hour minimum.
- The School of Journalism and Mass Communications requires one U.S. History (HIST 111 or 112) and one non-U.S. History (HIST 101-109) course. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.
