LHH Training Reminders

The **required** Lee Hecht Harrison (LHH) training for all students (anyone planning to seek employment upon graduation in May 2009) will be held on Friday, August 22, 2008 (**all day**, from 8:00 a.m. - 5:00 p.m. **No exceptions**). More information about specific times and location will be sent to you later in the summer.

Anand Deekaram won the Dr. Jeff Arpan Award presented by Mrs. Luz Arpan and Dr. Marty Roth.

Moore Career EXPO is scheduled for October 1st and will be held at the Columbia Convention Center. There will be many information sessions and interview schedules planned in conjunction with this event. Please keep your calendar open for the morning of October 1st and all evenings that week. Interviewing will most likely take place throughout the week.

The **Black MBA** job fair is scheduled for September 18-19 in Washington, DC, and the **NSHMBA Conference** and job fair is scheduled for October 9-11 in Atlanta, GA. NSHMBA dates correspond with fall break, so you won't miss any classes! More than half the IMBA students who attended these fairs last year landed at least one second round interview with a major employer and many received job offers. These fairs also provide an excellent opportunity to practice good networking and follow-up techniques.

We wish you all the very best as you head into internships, summer and the world of work. As always, please let us know what we can do for you! Best wishes!

As always, please send your photos and videos of your activities while living and working abroad.
