

Master of International Business

Darla Moore School of Business

DOUBLE-DEGREE PROGRAM

GRANDE ÉCOLE ESCP BUSINESS SCHOOL | PARIS, FRANCE

What is the Master of International Business Double-Degree program?

The MIB double degree is a two-year immersion program enabling you to earn two master's degrees from two world-renowned universities in two different countries, giving you a new perspective on how the world works.

You earn a Master of International Business degree at the Darla Moore School of Business — the nation's leading institution for international business education — followed by a Master in Management degree at the Grande École ESCP Business School, ranked the No. 5 management master's program in the world by Financial Times. Both programs combine cutting-edge management skills with a deep understanding of the worldwide marketplace—providing you with everything you need to master a world in motion.

Why is it valuable to participate in this program?

The MIB degree is a direct path to a career in international business — a second degree from one of our partners accelerates this process. Both degrees provide you with:

- Real-world experience and credentials to demonstrate your ability to succeed in the global economy
- Access to a global network of peers
- Educational immersion at top-ranked international universities

Why choose the ESCP Double-Degree program?

The Grande École ESCP Business School's Master in Management is the premiere program for building a strong foundation in all functional areas of business and strengthening your ability to live and work in a dynamic international environment. If you're interested in consulting, marketing, management, or business development, you're particularly well-suited for this program. Graduates of the program also benefit from gaining professional experience from one of the school's many industry partners.

Courses offered at ESCP include:

- International Marketing Decisions
- Strategy
- Corporate Law
- Social Innovation
- The Internet of Things
- and many others

You'll choose a specialization from more than 20 different options during your studies at ESCP to take their business skills to the next level.

Career connections and employment outlook

The Moore School's Office of Career Management prepares you for a successful job search by developing and delivering value-added training focused on career exploration and targeted job placement. As an MIB student, you'll be trained in a wealth of skills to launch your international career, including resume development, interviewing, building a personal brand and professional networking opportunities.

Furthermore, each of our partner schools have extensive career centers to support students in their chosen careers through international internships, international career fairs, personalized career advice and one-on-one career coaching. Through this incredibly strong combination, recent graduates of the MIB have found placement at companies such as IBM, PricewaterhouseCoopers, Dell, Capgemini, Ernst and Young, Bank of America and many other leading international corporations.

FALL 2023 DEADLINES:

Priority: Dec. 1

Normal Decision: Feb. 1

Late Decision: March 15

For highly competitive applications, a student may be automatically awarded a seat in a double-degree program. Other applications will be considered in select rounds, with seats being allocated based on the strengths of each applicant.

FINANCIAL ASSISTANCE AND PROGRAM COSTS:

Both fellowships and graduate assistantships are available for double-degree applicants. Awards are based on the quality and depth of the current applicant pool and on the total amount of dollars available. The earlier you apply, the more financial assistance is available to both domestic and international students.

TUITION COSTS FOR THE MIB DOUBLE-DEGREE PROGRAM:

Resident Status	Total Two-Year Cost for Program (U.S. Dollars)
In-State/Resident	\$36,300
Non-Resident	\$43,260
